

MEET JESUS

John 3

Feb 1-7

Day 1 Read John 3:1-6

BORN AGAIN BY GOD'S SPIRIT

Did you know you can have 2 birthdays?

- # 1 God gives you life when you are born as a baby.
- #2 You get new life if you let God put His spirit in your heart.

1st birth (all people)

2nd birth (those who ask Jesus into their hearts)

Draw you as a baby

Day 4

Read John 2:23-25 (Early readers: verses 25-30)

JESUS SHOULD GET THE ATTENTION

You'd be happy for a friend if they get attention because it's their special day, right? Some people thought John the Baptist should be jealous of Jesus. But John was happy that people were following Jesus and giving Him attention because He knew Jesus is special. Circle which one John thought was right.

Day 2 Read John 3:7-13

GOD'S GREAT WORK

Nicodemus didn't understand how he could be born again. Even if we don't understand how He does it, we can believe Jesus that He gives us new life. He is God and knows what He does for us.

We can't see the wind, but we see how it blows things around. When someone is born again, we don't see God's spirit, but we see the great things He does in their lives.

What are some things that get blown by the wind?

Jesus:

- Teacher from ___
- came from heaven
- ___ of Man
- Only Son of ___
- the C _____
- comes from above
- has ___ things in His hands

KEY VERSE:

John 3:36

Day 5 Read John 3:31-36

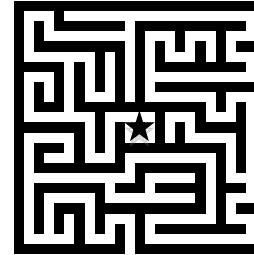

WILL WE BELIEVE?

Jesus is special. He chose to become the message from God that would save us from the punishment for our sins. He can tell us the truth about God because He is God.

The question is, will we believe Him?

There is only one way to be forgiven for our sins - believing in Him.

If we believe in Him, we can have eternal _____; if we don't, we have no way to get rid of our sins.

Day 3 Read John 3:14-21

GOD'S LOVE AND HIS GREAT GIFT

Everyone loves presents, and God has an amazing gift for whoever wants it. Remember Jesus is the **Lamb of God**, who was the sacrifice for sins just like the lamb had been for the Jewish sacrifices. Jesus offers to be the sacrifice and pay for your sins. When you choose to believe that Jesus is the sacrifice in your place, God gives you a great gift (actually several gifts). ❶ He says you are **no longer guilty of your sins** (you won't be punished for them). ❷ **His Spirit** comes to live in you, giving you new life (born again). ❸ His spirit lives forever. So, even after your body dies, His spirit in you goes on living forever, so you are getting **eternal life** too!

Thank God for one of His great gifts. I thanked God for: ΔHis love Δsins forgiven ΔHis spirit Δeternal life

I SPY

God's people care about showing:

passionate worship: "God is amazing. I will celebrate Him with all my heart."

full devotion: "God wants all of me."

honor: Letting others know that you see how valuable they are."

Do you see two verses where John the Baptist shows **passionate worship, full devotion, and honor to God?**
